

NANAK ELECTRIC STORES

Striving towards Excellence

A dynamic Vision

We introduce ourselves as a leading supplier and solution provider offering our services for the last more than 60 years to a large spectrum of customers, catering to their varying electrical needs by offering them some of the best material manufactured in Country and abroad.

We have the privilege of being associated with some of the best names in this field, and are proud of our all-encompassing product range.

At NES, we constantly strive for achieving highest standards in both service and material, and work hard to maintain our most valued asset, YOU, our satisfied customers.

We have left no stone unturned in order to satisfy our customers in terms of Quality, Quantity and Variety. Be it an equipment for Domestic application or Industrial, We can assure you of adequate quantities at all times, and at very reasonable prices.

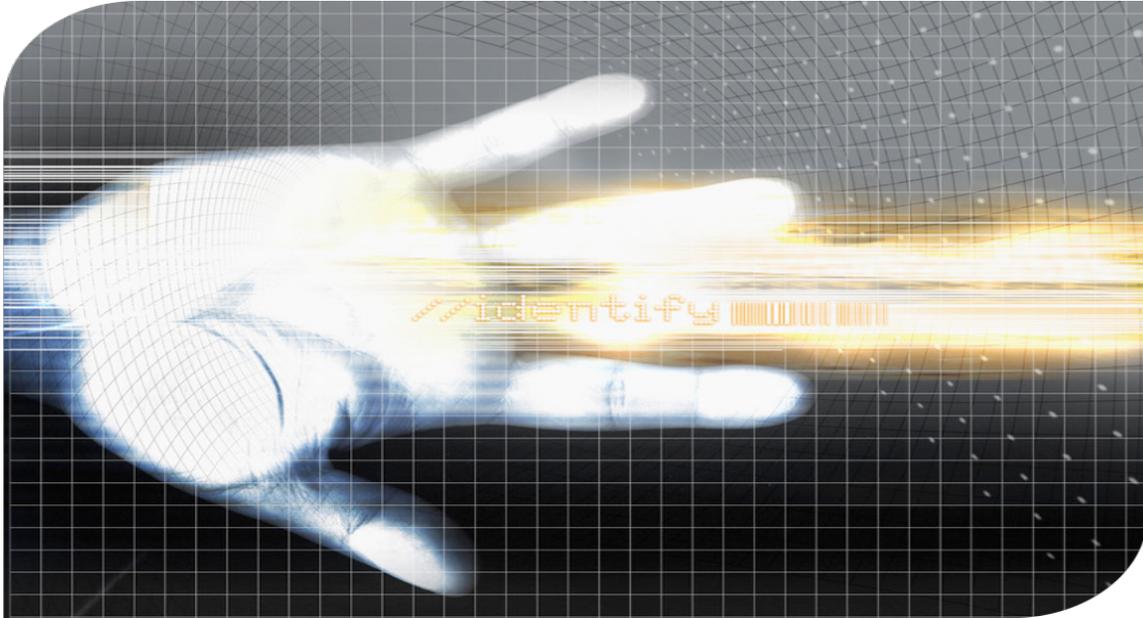

We have won acclaim of many of the leading business houses in the entire state of U.P., and beyond. We strive hard to maintain the confidence posed by our customers at all times.

From a humble beginning in 1960, Nanak Electric Stores has come a long way to be recognized as a leading and established player in the electrical trading industry.

Under guidance of our technocrat Chairman Mr. G. C. Tandon, an alumnus of IIT Kharagpur, and with dedicated and focused efforts from Team-NES, we are poised to achieve ever growing heights in the time to come.

Shortly, we see ourselves as a integrated service and material providers giving this unique combination of material and service, offering our customers a very convenient and good value business proposition.

Excel Control Systems, an Electrical Switchboard and Storage Solutions manufacturing company has been formed in 2013 and running successfully to take this vision forward.

Catering to.....

Sugar Industry

- Balrampur Chini Mills Limited
- Bajaj Hindustan Limited
- DCM Shriram Sugar Limited

Paper Industry

- Ganga Pulp & Papers Limited
- Yash Pakka Limited
- Bajaj Kagaz Limited

Cement Industry

- ACC Limited
- JK Cement Limited

Power Industry

- Power Grid Corporation of India Limited
- NTPC Limited
- Rosa Power Supply Company Limited

Metal Industry

- Hindalco Industries Limited
- Rimjhim Stainless Limited
- Gallantt Ispat Limited

Partnering....

Electrical & Automation

- LK – ACB, MCCB, SDF, HRC Fuse, Starter, Contactor, Overload Relay, Protective & APFC Relays, Tri-Vector/Nett Metering/kWH Tariff Meters, Panel Multifunction Meters, On-Load Manual/Motorised Changeovers, Variable Frequency Drives (VFD), Soft Starters, Programmable Logic Controllers (PLC) etc.
- GIC – Electronic Timers, Hour Meters, Protection Relays etc.
- ESBE – Push Button Actuators, Pilot Light Indicators etc.
- SALZER – Rotary Switches, Terminal Connectors, PVC Channel etc.
- EXORA – MCB, RCCB, Surge Protection Devices, MCB Db's etc.
- LK – Englaze/Entice/Engem/Oris Switching accessories

- ABB – ACB, MCCB, SDF, Contactors, Overload Relay, Motor Starter, Variable Frequency Drives (VFD), Soft Starters, MCB, RCCB, MCB DB's etc.
- ABB – Energy Efficient IE2, IE3, IE4 Non-FLP and FLP Motors etc.

- Polycab – H.T. & L.T. Armoured and Un-Armoured Copper and Aluminium Cables
- Polycab – Single and Multicore Copper Flexible Wires, Submersible Cables, Computer Cables, Telephone Cables, Instrumentation Cables etc.

HAVELLS

- H.T. & L.T. Power & Control Cables
- Single & Multi-Core Copper flexible Wires etc.

Electricals

- Bajaj – LED Industrial, Decorative, Landscape Lighting Fixtures
- Bajaj – Octagonal and Decorative Poles, Gazibos, Façade Lighting etc.

- HPL – Flexible Multicore & Single Core Wires, Telephone Cables, Computer Cables, Submersible Cables etc.
- HPL – ACB, MCCB, SDF, HRC Fuse, On-load Changeover, Isolators, Tariff Meters (Pre-Paid and Post Paid), Panel Meters, APFC Relays, MCB, RCCB, MCB DB's, Rewireable Main-Switches, Changeovers, Kitkats etc.
- HPL – Lighting Fixtures, LED Lamps etc.

- TEFC Motors, Monoblock Water Pumps
- Non-Clog and other Special Duty Pumps
